

LED Products

LED Ceiling Indoor Light

CRCA Sheet Metal Body with white powder coated,
Reflector Inside for ensuring high luminous efficacy,
Wide Range of Input
Isolated high efficiency LED
Square Parabolic metalized lower to provide glare free light
Size 598x528 2" x 2" 36 & W
Size 295x295 1" x 1" 16 & 30

LED Strip Light

Aluminum Extruded base
Inbuilt Driver in tube
Input 220V AC
W-10W-40W

LED Flood Light

Input Voltage – 85V-265V
1P-65 Aluminum Die cast enclosure with powder Coated
Wide beam angle & uniform distribution
Heat resistance & toughened glass diffused
Inbuilt LED drives Pack
Constant Current LED driver
Recommended for ware house, Façade lighting, Area Lighting, Town shop
W-10W to 30W
60W to 80W

LED Street Light

Aluminum Casted housing
Frep-50-60Hz
Heat Resistance & toughened glass
Wide Beam angle & uniform distribution
Wide Input Range

Recommend for Industrial Area

Parking Area, Main Sheet, Town Shop, Highway
W- 33W (1W x 33 No.)
6600 (1W x 66 No.)

LED Tube Light

Op Power- 8W-24W
Lumens- 250-1600Lm
Input-90-265V

LED Life-50000 Hrs
Inbuilt LED Driver

LED Down Lights (Round)

Aluminum Cast housing
Isolated high efficiency LED Driver
Glare Free & uniform distribution
Lumen- 120Lm/W
Voltage- 90-290V
LED Life 50000HR
Size 4"- 6W & 9W, 12W, 5W
LED Driver- Outside
Recommended for
Hospitals, Offices, Retails, Banks, Show rooms, BPO

Comparison of Technology

Light Source	FTL	Sodium	CFL	Mercury	LED
Lumen per watt	60-90	65-105	50-60	50-65	110-140
Rated Life of Light Source (HR)	8000	5000	5000	7000	50000
Environment Impact	Mercury Toxic	5000	5000	7000	Non Toxic
