

The advertisement features a white background with a decorative pattern of blue and grey squares on the left side. In the top right corner, the PULSETECH logo and tagline are repeated. The main headline reads "Switches Power" in blue and red, with "Power" being significantly larger. Below it, the tagline "So gently, that anyone can go unaware" is written in a smaller black font. The central image is a white, rectangular Square Wave Inverter (Home UPS) with a control panel on the front. The panel includes several indicator lights and buttons labeled "ON", "OFF", "CHARGE", "DISCHARGE", "OVERLOAD", and "LOW BATT". The PULSETECH logo is on the top left of the device, and "Home UPS" is on the bottom right. At the bottom left of the advertisement, the text "powerful brand for powerful people" is written in a grey, lowercase font. At the bottom right, the text "Square Wave Inverter" is written in a black, lowercase font.

Square wave Inverter (Home UPS)

Specification Technical

AC Input Voltage	120-300V
Output Voltage	230+- 8%
Output Frequency	50Hz +- 0.5Hz
Output Waveform	Quasi Squire wave
DC input Voltage	12/24/48 V DC
Load Power Factor	0.80 lagging to unity
Control Method	Mosfet / PWM Technology
Charging	SCR Charging
Battery	12V / 135AH to 180 AH
Capacity	600 VA to 2KVA

Key Features:

- Phase Reversal Protection
- Overload with Auto Reset
- Ultrafast Short circuit protection
- Battery reverse polarity protection
- Overload and Short Circuit
- **Protection in Battery Mode**
 - DC over voltage protection
 - Main fail audio alarm

- Charger fuse blown alarm
- Overload and short circuit trip alarm
